PROFESSIONAL EXPERIENCE

Western New York Consortium of Higher Education, Buffalo, New York

Executive Director, 2009 to Present

- Facilitate collaborative efforts between and among 21 colleges and universities; attract, engage, and retain students in the WNY region; and develop and promote economic development initiatives
- Oversee entrepreneurial initiative that establishes not-for-profit agency and corresponding systems, procedures, and strategic priorities in order to achieve economic develop and consortium-wide collaborative objectives
- Develop measurable outcomes and tracking systems that facilitate reporting to the board and full consortium membership, document success of the initiative, and report progress to principal funders
- Conceptualize, develop, and maintain web site that established the WNY region as a destination for students from across the nation and globe, creating an industry identity for WNY higher education in order to facilitate community partnerships and economic development and achieving 208,000 hits from 9 nations in first 2 months
- Research and recommend governance structure which ensures accountability and sustainable programming
- Identify regional initiatives by working with college presidents, chief academic officers, foundation officers, community and business leaders that align with the knowledge economy and regional development opportunities
- Create a staffing plan that fits with consortium objectives and allows for sustainability of the agency
- Manage all financial transactions, budgets, and forecasting as well as human resource issues/staff development

EPIC - Every Person Influences Children, Inc., Buffalo, New York, 2001 to 2009

Vice President of Research and Program Funding

- Oversee the generation of 80% of the revenue generation for \$3,500,000+ annual organizational budget including budget generation, financial forecasting, business development, and maximization of coverage of indirect costs
- Manage the international expansion of EPIC to Singapore, drafting memorandum of understanding/partnership agreement, business development proposal incorporating multi-national management plan, & research proposal

EPIC - Every Person Influences Children, Inc., Buffalo, New York, 2001 to 2009 (continued)***Vice President of Research and Program Funding***

- Manage national and state advocacy initiatives, presenting research outcomes, program content, implementation strategies, and collaborative initiatives to federal and state representatives in Washington DC and Albany
- Lead the executive team responsible for the development and implementation of the national expansion strategy, examining marketing, business development, public relations, financial capacity, & HR related issues
- Develop and implement marketing and public relations efforts that position EPIC with 3 strategic expansion opportunities: national network organizations, agencies with statewide presence, and other national partners
- Direct the EPIC Development Team that consists of cross-functional, upstate and downstate, and staff representation and is directed to achieve budgetary projections and goals set by national office
- Work with EPIC Board on strategic initiatives like marketing, public relations and strategic planning
- Authored and awarded \$8,710,000 in federal, foundation, and corporate grants between 2005 and 2006
- Oversee all company-wide grant compliance for federal, state, and foundation grants, ensuring that grant requirements are met, financial tracking is accurate, and outcomes-based evaluation is being conducted
- Principal investigator for organization, managing all research and evaluation activities for EPIC
- Supervise selection, purchase, installation, and implementation of comprehensive organizational database that houses donor, grant, and participant data that will be utilized to greatly enhance EPIC's unrestricted funding
- Supervise the selection, purchase, and implementation of foundation research program that will serve national office as well as individual regions and national expansion through county level targeted queries
- Manage multiple research initiatives and collaborations including but not limited to the University at Buffalo, Canisius College, University of Missouri, St. Louis, Rutgers University, and internal research staff and projects
- Maintain **all** responsibilities as the Director of Research and National Program Coordination

Director of Research and National Program Coordination

- Member of EPIC National Management Team, developing strategic initiatives and organizational goals in order to guide and measure annual performance, ensure future sustainability, and grow the organization
- Direct internal grant writing and statewide grant writing consultants, managing the internal and external activities of revenue generating operations accounting for more than 67.5% of \$3.8 million annual budget
- Manage the quality of implementation at 7 statewide Regional Offices, partnering with Regional Directors to effect positive changes in programming and enhance quality and consistency throughout the organization
- Direct community-wide collaboration for the US Department of Health and Human Services, leading coalition of five agencies attempting to increase the quality of early learning opportunities throughout Buffalo
- Direct the development activities throughout the organization, identifying, developing and implementing organization-wide funding campaigns in order to increase programs/revenue across New York State
- Perform financial projections/tracking, develop reports, and construct budgets for Regional operations
- Identified/cultivated research partnerships with 3 national research universities conducting research on EPIC
- Manage all research activities for multi-million dollar national organization, developing and implementing standard protocol that increased the accuracy of evaluation and demonstrated the efficacy of EPIC services
- Compile evaluation reports that connect effectiveness of programs to grant objectives and outcomes
- Conduct community-wide needs assessments in order to justify program funding requests, assess unmet community needs, and make recommendations on program development and expansion
- Conceptualize, develop and implement research initiatives for various programs in order to demonstrate effectiveness, examine non-traditional venues, and test delivery model modifications and enhancements

Director of Grant Compliance and Evaluation and National Programs Coordinator

- Managed all aspects of a multi-million dollar federal grant, the largest of its kind, that provided for the development, implementation, and continuation of resource centers in six cities across New York State
- Trained, supervised, and developed 25 professionals based in six cities across New York State, monitoring grant compliance, addressing personnel issues, and providing various trainings on goal attainment
- Networked with key U.S. Department of Education and NYS Education Department representatives in order to better understand and impact the implementation of the No Child Left Behind legislation
- Directed federal lobbying campaign that yielded support from 9 US Congressmen and 2 US Senators
- Trained managerial staff on appropriate tracking and data collection practices as well as writing reports
- Initiated marketing/outreach campaign that reached over 9 million people across New York State
- Researched, developed and implemented comprehensive training on federal legislation and its impact on program implementation, sustainability, and expansion of service delivery
- Ensured that U.S. Department of Education grant requirements were achieved and accurately reported
- Constructed Annual Federal Report that detailed quantitative and qualitative data

Career Planning and Placement, University at Buffalo, Buffalo, New York***Testing Administrator***, September 1997 to October 2001

- Conceptualized, developed and implemented curriculum for the Career Planning & Placement course, coordinating training and assessment of new instructors, marketing of class, and scheduling
- Co-authored proposal that secured Computer-Based Testing (CBT) center at the University at Buffalo, one of only fifty awarded in the United States by the Educational Testing Service
- Managed the finance and operations of the Computer-Based Testing center, adding \$70,000 in annual revenue
- Organized annual survey of graduates in Microsoft Access, attained a 40% response rate, analyzed data in SPSS, and developed a comprehensive report that broke down by individual department/professional school

Senior Development Associate, December 1999 to October 2001

- Trained university personnel on professional development issues, assessment tools, and advance technology
- Developed training for professional staff, detailing assessment tool, validity research, and interpretation
- Trained university faculty on the recruitment process for graduate students seeking academic and professional positions in and outside of higher education
